East Tennessee Regional Coalition Meeting

Tuesday, March 7, 2006, 1:30 – 3 p.m. (EST) Regional Health Office, Knoxville

March is National Colorectal Cancer Awareness Month

TCCCC is joining with Vanderbilt's Ingram Cancer Center in a "Cancer Answers" program at West Tennessee Cancer Center. Dr. Jay Groves from Dayani Center will present information on exercise as a cancer preventative, with TCCCP providing pedometers to all participants. Another VICC doctor will discuss screenings.

We challenge you to put up a colorectal cancer awareness display using Coalition-branded educational materials at your facility or workplace. Contact Trudy at the TCCCP office for information or materials: (615) 741-1638; 800-5473558 or trudy.stein-hart@state.tn.us .
